**Age Limit** - 19 to 50.

**Note** - Women must write legibly when filling in the forms and give their address in full, station the county in which they reside.

Women who have already volunteered, and have not been accepted, should not apply again.

V.A.D. Officers and members must not answer the appeal, but must send up their names in the usual way, through their officers.

All who have worked for the sick and wounded at any time during the War, and have since taken up other work, are asked to consider whether they would not serve their Country best by again devoting to the service of our soldiers at this critical moment, the knowledge and experience they have already gained as V.A.D.s.

The Director-General particularly requests women who are already in employment, and who answer this appeal, not to give up their work until called upon by the Authorities. For full particulars and forms of application, write to the Director, Women's Section, National Service Department.
